

# DAIDD 2025

Clinic on Dynamical Approaches to Infectious Disease Data

**07th – 13th December 2025**

Muizenberg, South Africa

DAIDD is a week-long modelling clinic that provides an introduction to dynamical models used in the study of infectious disease dynamics. Instruction focuses on the conceptual foundations of modelling and model formulation for infectious disease research.

**Applications are open!**

**APPLY NOW**

**Application deadline EXTENDED: 10 October 2025**

**Course fee: ZAR 28,000 includes meals and accommodation**
